CULTIVATING EXCELLENCE ACADEMY

NOTICE TO PARENTS: 2026/2027 ASSESSMENT FEES

Dear Parents,

To ensure that learners' academic progress is formally evaluated, CEA offers a structured assessment fee schedule.

These fees cover the preparation, administration, invigilation, marking and moderation of assessments, as well as the compilation of a formal written assessment report.

Assessment Fee Structure

Individual subject	R350
Two subjects	R650
Three subjects	R900
Four subjects	R1150
Five subjects	R1400
End-of-grade assessment package	R1650
End-of-phase assessment package	R1950

The end-of-phase package could be particularly useful for Grades 3, 6 and 9, where a more comprehensive evaluation of academic progress and readiness for the next phase is required.

Payment terms: Assessment fees will be invoiced separately and are payable within seven days.

Please note that routine assessments included in a learner's existing tuition program will not attract an additional fee. These charges apply to separately commissioned or additional formal assessments.

Thank you for your continued support and commitment to your child's academic development.

Kind regards,
Jennifer Lawrence
